## A GREAT SHAKING COMING

---

Greetings everybody! Pentecost is just nine days away. It is the 41<sup>st</sup> day of the Omer count and the 6<sup>th</sup> day of the 6<sup>th</sup> week. We have been commanded by God to count 49 days (7 days x 7 weeks) for ourselves to Pentecost which is the 50<sup>th</sup> day. We are using a mediation guide countdown on Aish.com, an Orthodox Jewish website that is in popular use among the Jews. I know that most Christians never heard of the Omer count teachings of the Bible in the Old Testament. **Leviticus 23:1-2**—“The Lord spoke to Moses, saying, “Speak to the children of Israel, and say to them: ‘The feasts of the Lord, which you shall proclaim to be holy convocations, these are my feasts.’”

**Leviticus 23:15, 21**—“And you shall count for yourselves from the day after the Sabbath, from the day that you brought the sheaf of the wave offering: seven Sabbaths shall be completed. Count fifty days to the day after the seventh Sabbath; then you shall offer a new grain offering to the Lord. And you shall proclaim on the same day that it is a holy convocation to you. You shall do no customary work on it. It shall be a statute forever in all your dwellings throughout your generations.” This day is the same day that the Law was given to Israel when Moses went up to the mountain top and thereafter they received the rest of the Law. This is no small thing that we are doing in counting the Omer, nor do we need to apologize for it.

**2 Colossians 2:16**—“let no one judge you in food or in drink, or regarding a festival or a new moon or Sabbaths, which are a shadow of things to come, but the substance is of Christ. Let no one cheat you of your reward, taking delight in false humility and worship of angels, intruding into those things which he has not seen, vainly puffed up by his fleshly mind, and not holding fast to the Head, from whom all the body, nourished and knit together by joints and ligaments, grows with the increase that is from God.” We need to take charge of our mind and bring our thoughts into subjection to the obedience and captivity to the Law of God through Jesus Christ. God says count the Omer and that is what we are doing—counting the Omer, praising God and thanking Him for the opportunity. I feel sad for those who do not know the blessings of counting the Omer, because it is a great spiritual boost. Every year counting the 49 days is an exercise that propels one to overcoming and developing righteous, godly habits.

On week 6 we concentrate on the character trait of *Yesod*—**Bonding**. “During the sixth week of counting the Omer, we examine and refine the emotional attribute of *Yesod* or bonding. Bonding means connecting, not only feeling for another but being attached to him. Not just a token commitment, but total devotion. It creates a channel between giver and receiver. Bonding is eternal. It develops an everlasting union that lives on forever through the perpetual fruit it bears.”

“Bonding is the foundation of life—the emotional spine of the human psyche. Every person needs bonding to flourish and grow. It is the bonding between mother and child, between

husband and wife, between brothers and sisters, between close friends. Bonding is affirmation; it gives one the sense of belonging; that 'I matter', I am significant and important. It establishes trust—trust in you and trust in others; and above all, trust in God. It instills confidence. Without bonding and nurturing we cannot realize and be ourselves.” It is similar to building a house and laying its foundation that gives stability and strength to the whole building.

Friday, Day 40 was *Hod of Yesod: Humility of Bonding*. “Humility is crucial in healthy bonding. Arrogance divides people. Preoccupation with your own desire and needs separates you from others. Humility allows you to appreciate another person and bond with him. Healthy bonding is the union of two distinct people, with independent personalities, who join for a higher purpose than satisfying their own needs. True humility comes from recognizing and acknowledging God in your life. Am I aware of the third partner—God—in bonding? And that this partner gives me the capacity to unite with another, despite our distinctions?”

Christ had true humility and he recognized the Father and told his disciples that the ‘Father is greater than I’, and he accepted that. He did not go into competition with the Father as Lucifer did. Lucifer tried to take over the throne of God and become a competitor of God the Father. Christ always humbled himself, served the Father and came to say exactly what the Father told him to say and teach. We are brethren in Christ and we are a family. We are to look upon each other as brothers and sisters and bond together as a team.

Today, day 41, is *Yesod of Yesod: Bonding in Bonding*. As I have said before, this is like bonding times bonding. Today is a day that we totally focus on bonding within bonding—bonding itself. Rabbi Jacobson says that “every person needs and has the capacity to bond with other people, with significant undertakings and with meaningful experiences. Do I have difficulty with bonding? Is the difficulty in all areas or only in certain ones? Do I bond easily with my job, but have trouble bonding with people, or vice versa? Examine the reason for not bonding. Is it because I am too critical and find fault in everything as an excuse for not bonding? Am I too locked in my own ways? Is my not bonding a result of discomfort with vulnerability? Have I been hurt in my past bonding experiences? Has my trust been abused? Is my fear of bonding a result of the deficient bonding I experienced as a child?” These are all relevant questions.

I remember playing on a baseball team and some of the kids just did not have the ability to be part of a team. They were always causing trouble and reacting against this or that ruling and could not become a team player. They called all the attention to themselves and wanted to be a Star. God gave you a divine spirit and soul that is nurturing and loving and that you must learn to recognize God’s voice and his commandments within you when God speaks to you with his Spirit. We are all similar and the same afflictions happen to our brethren in the world. Rudyard Kipling in one of his famous poems wrote, “The Colonel’s Lady and Judy O’ Grady are sisters under the skin.” We are all from the same batch and we all need to appreciate one another and learn to bond with each other.

“To cultivate your capacity to bond, even if you have valid reasons to distrust (today or yesteryear) you must learn to recognize the voice within, which will allow you to experience

other people's souls and hearts. Then you can slowly drop your defenses when you recognize someone or something you can truly trust. One additional point: Bonding breeds bonding. When you bond in one area of your life, it helps you bond in other areas." Bonding is like Elmer's glue. Put on enough and it will stick fast. "The *exercise for today*: Begin bonding with a new person or experience you love by committing designated time each day or week to spend together constructively."

We are nearing the end of the Omer count and have eight days to go in counting the Omer and then we will arrive at Pentecost. Each day to Pentecost is like a step in a flight of stairs, and we take one step forward at a time. Let's not lose a step or trip, but navigate each step as we rise to the "mountain top". We are counting the Omer for a reason—to build and refine character to qualify and be in the kingdom of God. We know from what we have been studying that we are in the last days—the end of time before the second coming of the Messiah. We need to really keep our eyes peeled and keep them wide open because it is a very dangerous time.

**2 Timothy 3: 1**--Paul said, in the Last Days, perilous times will come. Christ said, in these last days there would be great tribulation "such as the world has never experienced before." Psalms **11:3**—King David said, "If the nations are destroyed, what can the righteous do?" **Isaiah 2:2-4** "It shall come to pass in the latter days (end-time we are living in today) that the mountain of the Lord's house shall be established on top of the mountain (at the coming of the Messiah) and be exalted above the hills. All nations shall flow into it. Many people shall come and say, 'Come, and let us go up to the mountain of the Lord, to the house of the God of Jacob. He will teach us His ways, and we shall walk in His paths.' For out of Zion shall go forth the law and the word of the LORD from Jerusalem."

**Isaiah 2: 5-6**—"O house of Jacob, come and let us walk in the light of the Lord (truth)." Truth brings light. "For you have forsaken your people, the house of Jacob, because they are filled with eastern ways; they are soothsayers like the Philistine, and they are pleased with the children of foreigners." We are allowing in our country today, millions of foreigners including hundreds of thousands of Muslims from the Middle East with their eastern ways and Islamic teachings that are contrary to Christianity and the Bible which is the proven word of God. The Obama Administration is proudly bringing this fifth element into our nation—a Trojan horse.

All religions are not equal. There is only one true religion, the religion of the Bible which is known as the "Book". Both Judaism (Torah is the first five books of the Law) and Christianity (Old and New Testaments) rely on the Laws of the God of the Bible. Even Muslims call the Bible the "Book" and acknowledge that the Bible is our "Book". They have their Koran which is not the Bible, but a contrary book whose source is very much in dispute. **Isaiah 5:7**—"Their land is full of silver and gold, and there is no end to their treasures." America and Israel are full of treasures. "Their land is also full of horses, and there is no end to their chariots." In typology this also means automobiles. We have more transportation devices in our country than any other country or nation on earth. "Their land is full of idols; they worship the work of their own hands, that which their own fingers have made." Isaiah, who lived 800 years before Christ, saw this land would be full of idols.

**Isaiah 5:10-12, 17-19**—“Enter into the rock, and hide in the dust, from the terror of the Lord and the glory of His majesty. The lofty looks of man shall be humbled, the haughtiness of men shall be bowed down and the Lord alone shall be exalted in that day. For the day of the Lord of hosts shall come upon everything proud and lofty, upon everything lifted up—and it shall be brought low. The Lord alone will be exalted in that day, but the idols He shall utterly abolish. The people shall go into the holes of the rocks and into the caves of the earth from the terror of the Lord and the glory of His majesty, *when He arises to shake the earth mightily.*”

We are heading for a shaking! This generation is heading for a great convulsion: earthquakes beyond measure and great volcanic eruptions. These are things that we can expect. **Haggai 2:5-7**—“According to the word that I covenanted with you when you came out of Egypt, so My Spirit remains among you; do not fear! For thus says the Lord of hosts: ‘Once more (it is a little while) I will shake heaven and earth, the sea and dry land; and I will shake all nations, and they shall come to the Desire of all Nations, and I will fill this temple with glory, says the Lord of hosts.’”

**Hebrews 12:25-28**—Paul says, “See that you do not refuse Him who speaks. For if they did not escape who refuse Him who spoke on earth much more shall we not escape if we turn away from Him who speaks from heaven, whose voice then shook the earth; but now He has promised, saying “Yet once more I shake not only the earth, but also heaven. Now this, ‘Yet once more,’ indicates the removal of those things that are being shaken, as of things thich are made, that the things which cannot be shaken may remain. Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace whereby we may serve God acceptably with reverence and godly fear. For our God is a consuming fire.”

**Revelation 11:18 -19**—“The nations were angry, and your wrath has come, and the time of the dead, that they should be judged, and that you should reward your servants the prophets and the saints and those who fear your name small and great, and should destroy those whodestroy the earth.” Russia and China hate America; Obama hates Russia, China and Israel. Iran and the Palestinians hate America. Great chemical companies are destroying our food crops with pesticides and GMO foods. The fish in the sea are being destroyed and sea fish and salmon are being farmed and are unhealthy to eat. “Then the temple of God was opened in heaven and the ark of His covenant was seen in His temple. And there were lightning’s, noises, thundering, an earthquake and great hail.”

**Revelation 16:17-19**—“Then the *seventh* angel poured out his bowl into the air and a loud voice came out of the temple of heaven, from the throne, saying, ‘It is done!’ And there were noises and thundering and lightnings; and there was a great earthquake, such a mighty and great earthquake as had not occurred since men were on the earth. Now the great city was divided into three parts, and the cities of the nations fell. And great Babylon was remembered before God, to give her the cup of the wine of the fierceness of His wrath.” Where is Babylon today? We are living in modern end-time Babylon (the USA) and the Western Alliance of Europe. **Verse 20**—“Then every island fled away, and the mountains were not found.” Why? They were leveled and the islands sunk beneath the sea. When Israel went out of Egypt “the mountains skipped like rams, and the little hills like lambs” (Ps. 114:4). Picture a whole mountain range doing that.

**Verse 21**—“And great hail from heaven fell upon men, each hailstone about the weight of a talent (120 pounds). Men blasphemed God because of the plague of the hail, since that plague was exceedingly great.” God only sends plagues because of human wickedness and sin.

What should we do when we sin and are punished? We should yield to God, acknowledge our sins and repent. The world is headed for a day of reckoning and supreme judgment.

**Isaiah 24:1-3**—“The Lord makes the earth empty and makes it waste, distorts its surface and scatters abroad its inhabitants. It shall be that no one is going to live except those who serve God and take refuge in him. The land shall be entirely emptied and utterly plundered, for the Lord has spoken this word.” **Verses 4-6** describe the earth today. “The earth mourns and fades away, the world languishes and fades away; the haughty people of the earth languish. **The earth is also defiled under its inhabitants, because** they have transgressed the laws, changed the ordinance, and broken the everlasting covenant”—reject the Sabbath, the holy days, commit adultery and incest, bribery, stealing, coveting. All of God’s laws mankind has broken. “Therefore, the curse has devoured the earth, and those who dwell in it are desolate. Therefore the inhabitants or the earth are burned, and few men are left.” In the time of Noah, the earth was polluted and God sent the flood and only Noah and his family were saved because they were righteous. God is going to send judgment on this world today because the people are defiling the earth and the creation of God. We are headed into a time of great cursing from God on this earth leading to starvation, homelessness, and WW 3 with thermo-nuclear holocaust with few men left.

**Isaiah 24:16-20**—“Woe to me! The treacherous dealers have dealt treacherously. Indeed, the treacherous dealers have dealt very treacherously.” Who are these treacherous dealers? They permeate all of society today from the top to the bottom. The politicians are treacherous dealers. The international commercial capitalists and conglomerations are treacherous dealers. The international corporations are treacherous dealers with each other. America has dealt treacherously with other nations by going into 18 trillion dollars into debt. The America dollar is about to be destroyed and the world is turning its back on America and the dollar, because we have devalued the dollar so much. Economists predict that there is going to be an economic collapse in America this year in the fall. “Fear and the pit and the snare are upon you, O inhabitants of the earth. And he who comes up from the midst of the pit shall be caught in the snare; for the windows from on high are open, and the foundations of the earth are shaken.” “The earth is violently broken...and shall reel to and fro like a drunkard...its transgression shall be heavy upon it, and it will fall and not rise again.”

**Isaiah 24:21-23**—“It shall come to pass in that day that the Lord will punish on high the host of exalted ones and on the earth the kings of the earth. They will be gathered together, as prisoners are gathered in the pit, and will be shut up in the prison; after many days they will be punished. Then the moon will be disgraced and the sun ashamed; for the Lord of hosts will reign on Mount Zion and Jerusalem and before His elders, gloriously.” Even the angels who rise up in rebellion will be punished and thrown out of heaven. Satan and his wicked angel legions are going to be cast out of heaven.

**Revelation 12:7-9**—there is going to be war in heaven. “War broke out in heaven: Michael and his angels fought with the dragon (devil); and the dragon and his angels fought, but they did not prevail, or a place was found for them in heaven any longer. So that serpent of old, called the devil and Satan, who deceives the whole world, was cast to the earth and his angels cast out with him. When the dragon saw that he had been cast to the earth, he persecuted the woman (Church) who gave birth to the male Child.” **Verse 17**—“The dragon was enraged with the woman and he went to make war with the rest of her offspring who keep the commandments of God and have the testimony of Jesus Christ.”

The final solution to the problems of this earth today will be the second coming of Christ to reign on Mt. Zion. We are living in the time when we are beginning to see these things come upon us—a time of great shaking. This is going to happen because our nation and this world as a whole have turned away from God, his laws and his covenant. **Isaiah 24:5-6**—“The earth is also defiled under its inhabitants, because they have transgressed the laws, changed the ordinance, broken the everlasting covenant. Therefore the curse has devoured the earth, and those who dwell in it are desolate. Therefore the inhabitants of the earth are burned and few men are left.”

The penalty for breaking God’s laws can be read in **Leviticus 26:1-46. Verse 27**—God says “I will punish you seven times for your sins.” This intensifying punishment is said four different times. He states that his fury will intensify incrementally until we get the point and repent. We have to repent of a lot!

Many astute conservative leaders have said that America is headed for a time of great tribulation and martial law in our own country. Our punishments are beginning to pile up. We are seeing riots in Ferguson, Mo., Baltimore, Md., and potential riots in Cleveland, Ohio, and elsewhere. America seems to be falling apart because of lack of wise leadership.

Are you aware that “the U.S. Army has built a 300-acre “fake city” in Virginia – complete with a sports stadium, a bank, a subway system, and even a school. It is modeled after a place you or me or our family and friends might live, or work or visit. They’re using it to conduct life-like drills, claiming it’s “training for overseas occupation missions”... It’s pure Americana. Everything is in English. Subway cars carry the same logo as those in D.C. Everything about this stinks of preparation for attacks upon the American people by Obama. His loyalists have infiltrated our military. They have been handpicked and placed there by the “Imperial President” and they’re getting prepared to carry out orders under Martial Law.

The House of Representatives is getting ready to sue Obama for gross “Executive Overreach.” Obama is declaring things to be law through executive orders that are not authorized by Congress—many changes to Obama-care, “recess” appointments, ordering Christian companies to offer health care related to abortion contrary to their beliefs. Since day one, Obama has established a regime steeped in lawlessness surrounded by the stench of oppression. Obama has said he would fire upon our good citizens. Navy Seal Ben Smith warned that Obama has asked the military’s top brass if they would be comfortable disarming U.S. citizens. Fort Hood soldiers

are being “indoctrinated” by being told that Christians are a “radical terror threat.” Stop and think “WHY”-- why would they teach that Christians are a radical terror threat,” if not to subvert the Constitution to carry out a plan for Martial Law.

When martial law happens the persecution will really begin. Obama is setting us up now. Don’t think it can’t happen in America. It happened in Ancient Greece and in Ancient Rome. The same “top secret” U.S. Army manual mentioned previously, also describes how prisoners will be processed through temporary internment camps. Internees will be “reeducated” into developing an “appreciation of U.S. policies” (along the line of his New World Order) while detained in the prison camps. Also revealed in the manual are plans for troops to quell domestic riots, confiscate firearms and kill Americans during civil unrest. People will be required to denounce their Christian beliefs.

There’s even been a threat to nationalize whole industries by Executive Order alone. On Friday, March 6, 2012 America ceased being a Republic and became a dictatorship in one swipe of a pen. Obama quietly gave himself the power to impose Martial Law bypassing both the Constitution and Congress through Executive Order. **Executive Order No. 13603**—*National Defense Resources Preparedness Executive Order* gives Barack Hussein Obama a clear path to unprecedented power to bring about socialism in America and create a regime so powerful, so vile, it will be like the Soviet Union was—a carbon copy of the Soviet Gulag under Communism. This order No. 13603 gives Obama a free pass to unrestricted, unprecedented power held only by those deemed “dictator.” It is a frightening abuse of power. He can now manufacture a crisis and make it happen when he chooses. When it does we may find ourselves waking up to a complete police state and news that Obama has declared himself supreme dictator over all the land. Picture 20 million Ukrainians who died of starvation because Stalin deprived them of their food. Transfer the same to America today when Obama takes all the food supplies and food production in the country and only those who support him will have access to food in a time of famine, drought and destruction.

A lot of people don’t realize that we need to wake up! Our people need to educate themselves about Obama’s background. The “dreams of his father” were meant to kill capitalism, create a society of “fair share” and income equality no matter whether or not you are deserving of it or whether you earned it—oppression at its worst. Obama grew up with this deep-seated hatred of America and everything that it stands for. His mentors (known extremists) were Bill Ayers, a radical, fanatical Communist and Frank Marshall Davis—a known radical, extremist living in Hawaii who was like a god-father to him. Think about the supportiveness of President Obama for the Muslim Brotherhood in the Middle East, and how he stands silent as ISIS (Islamic caliphate) murders Christians—beheading, burying alive, burning and crucifying. America has been betrayed by an anti-Christian leadership.

*Newsmax* (5.8.15)—“Ben Carson, Conservative presidential candidate and retired pediatric neurosurgeon, in an interview with CNBC’s John Harwood, stated that President Barack Obama reminds him of a psychopath because the president appears to brazenly lie to the American people about the unemployment rate. A psychopath tends to be an extremely smooth, charming person who can tell a lie to your face with the appearance of complete sincerity even though they

know it is a lie. ‘I think he knows full well the unemployment rate is not 5.5 percent. He knows that people who are not well informed will swallow it hook, one and sinker, even though they’re sitting there in the city and can’t find a job.’”

*Whistleblower*—(5.13.15)—Faith Crimes. “Courageous Christians practicing their religion are being persecuted in Obama’s America. While Christian persecution around the world is perpetrated primarily by Muslims and communists, in America the persecution is driven by a seemingly odd and improbable source: homosexuality, and the influential activist movement that has grown up around it. Today that movement has become the spear-tip with which the far left is finally achieving its longtime goal of attacking, intimidating – indeed, legally prohibiting—the free exercise of religion in America. Legislation currently sweeping the country outlaws counseling help for minors who want to overcome unwanted same-sex attractions; decrees that boys and young men must be allowed to use girls’ restrooms and locker rooms if they claim to identify with the opposite sex (and vice versa); mandates pro-homosexual indoctrination of children as young as five, requires the integration of open homosexuals into the military; forces same-sex marriage on the nation; and, perhaps most disturbingly, criminalizes Christian businesspeople for simply opposing homosexuality or same-sex marriage on moral and religious grounds. Should the Supreme Court mandate homosexual marriage throughout the nation, say experts, the persecution will increase exponentially.”

Many thought same-sex marriage would be the crowning achievement of the gay rights juggernaut. But, suddenly, the focus shifted to ‘transgender rights,’ with Time magazine’s ‘Transgender Tipping Point’ issue announcing ‘America’s next civil rights frontier’ and vice president Joe Biden declaring transgender discrimination ‘the civil rights issue of our time.’ Says David Kupelian, “The secret of this never-ending, always-expanding revolutionary movement is that it has the full support of the far left. The left has finally found its weapon, with which – as it has dreamed of doing for decades—it can effectively attack, marginalize, demonize and criminalize its greatest enemy: the Christian religion.”

This does not surprise me, as evidence has proven that Obama himself is a practicing homosexual with a homosexual and drug-using background. His administration has gone further in supporting, hiring, and promoting legislation for LGBT Americans than any administration in history. Before he took office, there was one openly gay federal judge to be confirmed by the Senate. Now there are 11. Muslims openly condemn homosexuality, but in reality condone it and many Muslim men are homosexual.

**1 Thessalonians 5:21; 15-17**—“Prove all things; hold fast that which is good.” Study the evidence. Don’t just take people’s word for it. Don’t be deceived! Get the facts. Read my articles: *Is Obama the Antichrist; The Signs of the Antichrist; Apollyon: the Destroyer; Obama’s Faustian Bargain with the Devil*. It is time that we put our faith back in God and repent with fasting and prayer. **Joel 2:10-17**—“The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark, and the stars shall withdraw their shining: And the Lord shall utter his voice before his army: for

his camp is very great: for he is strong that executes his word: for the day of the Lord is great and very terrible; and who can abide it? Therefore also now, says the Lord, 'turn you even to me with all your heart, and with fasting, and with weeping, and with mourning, rend your heart, and not your garments, and turn unto the Lord your God: for he is gracious and merciful, slow to anger, and of great kindness, and repents him of the evil.'" "Blow the trumpet in Zion, sanctify a fast; call a solemn assembly: Gather the people, sanctify the congregation, assemble the elders, gather the children, and those that suck the breasts: let the bridegroom go forth of his chamber, and the bride out of her closet.

"Let the priests, the ministers of the LORD, weep between the porch and the altar, and let them say, 'Spare thy people, O Lord and give not your heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, Where is their God?" **Verse 18**—"Then will the LORD be jealous for his land, and pity his people."

The God of Abraham, Isaac, and Jacob is the only true God (YHVH) in the earth and he will prove it. **Joel 2:27-32**—"You shall know that I am in the midst of Israel and that I am the LORD your God, and none else: and my people shall never be ashamed. It shall come to pass afterward, that I will pour out my spirit upon all flesh and your sons and your daughters shall prophesy, your old men shall dream dreams, your young maidens shall see visions. In those days will I pour out my Spirit upon the servants and handmaids. I will show wonders in the heavens and in the earth, blood, fire, and pillars of smoke. *The sun shall be turned into darkness and the moon into blood*, before the great and terrible day of the Lord come. It shall come to pass, that **whoever shall call on the name of the Lord shall be delivered**: for in mount Zion and in Jerusalem shall be deliverance, as the Lord has said and in the remnant whom the Lord shall call."

The fourth successive lunar eclipse is coming this fall on September 13 on God's holy day. There is time for national repentance, but judgment is coming quickly and the judgment will not be held back as the sins of the people are increasing greatly and destroying the framework and foundations of our national heritage and Judeo-Christian roots. Democratic presidential candidate, Hilary Clinton recently said: "We must change the religious beliefs of the nation" (America). In other words, we must give up Christianity.

*Note:* Huma Mahmood Abedin, born in Kalamazoo, Michigan has been an aide to Hillary Clinton since 1966. Huma is Muslim. At two years of age she moved to Jeddah, Saudi Arabia with her parents (Indian father and Pakistani mother—both PhD's) who were educators. At 18, Huma returned to US to attend George Washington University earning a BA degree. She was Clinton's Deputy Chief of Staff at the State Department and before that, traveling chief of staff and "body woman" during Clinton's campaign for the Democratic nomination in the 2008 presidential election, and is continuing in her role as traveling chief of staff for Clinton's 2016 campaign for President. Huma is closely associated with her Muslim Brotherhood family. Her

mother's name is one of the 63 members of the secret arm of the Muslim Brotherhood called The Sisterhood. Huma's brother—Hassan Abedin—also collaborates with Omar Naseef and Sheikh Usuf al-Qaradawi, two of the most influential terror supporters in the world. Other than Huma Abedin, has there ever been a case in which a family member who either belonged to the Muslim Brotherhood or was a prominent Islamist did not denounce a Muslim female relative who married a non-Muslim male? Abedin married former-Congressman [Anthony Weiner](#) (D-NY) on July 10, 2010.

**Hosea 4:6**—“My people are **destroyed for lack of knowledge**: because thou hast rejected knowledge, I will also reject thee, that thou shall be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children. As they were increased, so they sinned against me: therefore will I change their glory into shame. They eat up the sin of my people, and they set their heart on their iniquity.” This is a fundamental problem in America today—lack of the knowledge of God. Those who don't study and learn from history are doomed to repeat it—will make the same mistake.

People are ignorant of history and do not know what Communism is all about. America has slipped from being a Democracy and Republic to socialism. Most young people in America today do not know American history, world history, or about China and Russia and where they are located. Many don't even know who the Vice-President is of America. Talk about ignorance.

*WorldNetDaily*—Jonathan Cahn says as this Shemita year 2015 draws to a close on September 13—the last day of the month of Elul on the Hebrew calendar (Elul 29), he sees more and more causes for concern. The Shemita comes once every seven years and can bring blessings or judgments. For a nation that falls into apostasy, each Shemita year can bring progressively worse judgment until the nation repents and returns back to God. The reason for us to be concerned is, if we look at the evidence:

- Obama continues to foster poor relations with Netanyahu and Israel; he recently released Israel's nuclear secrets to the world
- America continues to slide into a moral abyss embracing homosexual marriage and pushing LGBT in public schools
- Obama is allowing ISIS to continue to rise up in the Middle East and the FBI now tells us that there are ISIS sympathizers in all 50 states as mosques rise up across America

*Newsmax* (5.12.15)—a survey taken by Pew Research Center says Christianity is in sharp decline in America. The number of Christians dropped by almost 8 percentage points in seven years to 71 percent, and the trend holds across race, gender, education, and geographic dimensions, though Christianity still dominates American religious identity at 70 percent, [USA Today](#) said. The “*nones*,” or religiously unaffiliated, include atheists, agnostics and those who say they believe in “nothing in particular.” Of those

who are unaffiliated, 31 percent say they are atheists or agnostics (56 million), an increase of 6 points since 2007.”

The time of judgment is impending. America is drowning in sin. Brethren, let's count the Omer faithfully and make it count looking forward to the coming of the Messiah. Pray earnestly to God, “Thy kingdom come, O Lord.” Amen.
