

## World War III Has Begun -- Islamic Terror Attacks in America

Our Father in heaven, author and Creator of the universe, you have called us and given us your word of truth and salvation. Father we commit our lives into your hands with great rejoicing in your love, mercy and truth. We pray that you will open our eyes to see, our ears to hear and our minds to comprehend the message that you have for us today. You have given us your only son who gave his life for us that our sins might be forgiven, so that we could be reconciled to you and be in your kingdom. Strengthen us by your Holy Spirit with the fruits of love, joy, peace, long-suffering, gentleness, goodness, kindness, meekness, humility and self-control. Please help us to put on your armor: the helmet of salvation, the shield of faith, the sword of the Spirit which is your word, the belt of truth, and to have our feet shod with the gospel of peace. Thank you for everything that you give us daily. We pray for and thank you for your Divine love, example and inspiration. Guide and direct in loving you with our whole being and to loving our neighbor as ourselves throughout our life – every moment of every hour of our life. Praise, honor, blessings and glory to you. Amen.

Time waits for no one. The beginning of the year 2016 is almost here. God's calendar which goes by the observance of the new moon is important in observing his appointed times and it is the basis of much of God's truth. How can we worship God *in truth*, if we do not even know his calendar? We all need to review and study God's word and appointed times so that we never forget. **Hosea 4:6** --God has said, "my people are destroyed for lack of knowledge." Destroyed means destruction. Knowledge begins with the word of God.

**Psalms 111:10** – "The fear of the Lord is the beginning of wisdom: a good understanding have all they that do his commandments: his praise endures forever." **Proverbs 1:7** – "The *fear of the Lord* is the beginning of knowledge: but fools despise wisdom and instruction." **Proverbs 9:10** – "The fear of the Lord is the beginning of wisdom: and the knowledge of the holy is understanding." One of the foundation stones of God's word is time keeping—knowing the right time – the right day, month and year. How can you keep God's holy days, if you don't know when they occur? How can you keep the Sabbath, when you don't know which day and what time it comes? How do we know what is the seventh day of the week?

There are ways to prove this if you go back in the study of history and the calendar in the word of God. How do you know when the holy days occur? God tells us when they occur, and he also gives us a calendar whereby to calculate them, all based on the new moons. Then this brings up the question, "What is the new moon and how do you know when the new moon begins?" Then there is a lot of controversy on that. Reading the booklet, *The Mystery of God's Calendar* that has just been reprinted will answer this. The truths of God's word are "self-evident" and prove themselves. We prove them over and over by living our lives by the word of God. In this age of new technology and computers, we are able to know when the new moon is visually sighted in

Jerusalem and receive the report within minutes. We have not received the new moon report (sighted visually) yet and it will very likely be a 30-day month and very likely the new moon will be declared tomorrow evening on Sunday and Monday will be declared the new moon day.

After the Feast of Tabernacles this year, current world news events appear to have hit the “after-burner”, similar to when a jet rocket takes off and then the after-burner kicks in with force. It reminds me of a big locomotive train barreling down the track full-speed ahead and with no one sitting in the engineers’ seat in charge of guiding the train. **Proverbs 14:15** says, “The simple believeth every word: but the **prudent** (wise) **man** looks well to his going”. **Proverbs 22:3** and **Proverbs 27:12** say, “A **prudent man** foresees the evil, and hides himself: but the simple pass on, and are punished.” This verse was so important that it is written in the book of Proverbs twice so we would take a second look at it and meditate on it and ponder.

The day of reckoning is getting closer. Oil which at one point was over \$100 per barrel has decreased in value to just over \$30 a barrel. This means there is a glut of oil and prices are falling. Saudi Arabia is increasing their oil production so they can get all the money they can in this shrinking market. A host of other signs are indicative of we are now essentially where we were just before 2008 when the stock market crashed and the economy tanked. It appears we are headed there again very likely 2016, economically speaking. Economies of Japan, Brazil, Canada and Russia are all in recession.

*NewsMax* (9-2-15) – American businessman and founder of the Rich Dad company, Robert Kiyosaki, investor and best-selling author of *Rich Dad, Poor Dad*, states “the global economy has collapsed. Wall Street has been manipulated by the Federal Reserve and US Treasury” and warns that “the stock market manipulation may result in a bigger crash in 2016 than in 2007.” In his book, *Rich Dad’s Prophecy* (2002), Kiyosaki predicted the biggest market crash would come in 2016. The underlying world economies of China, Japan, Europe, South America are notably affected.

At this same time Islamic fundamentalism is on the march threatening to capsize the whole western world. Meanwhile, Europe is experiencing one of the most significant influxes of migrants and refugees in its history, with mass immigration of hundreds of thousands of migrants and refugees. At least 350,000 migrants crossed the EU’s borders in January-August 2015, which does not include the many who crossed a border undetected. The scale of the crisis has put huge pressures particularly on Greece, Austria, and Hungary --the key migration routes people use to reach their destination countries. Among the forces driving people to take such risks are the conflicts raging in *Syria* and *Iraq*, and human rights abuses in *Eritrea*. The majority, 62% of those who have reached Europe by boat so far this year, are from those three countries. There are also people setting out from Libya, Sudan, Pakistan, Nigeria, Kosovo, Darfur, Somalia and other countries in the hope of a new life somewhere like France, the UK or Germany (which receives the most-- and expects 800,000 this year).

In the EU, *an area of open borders and freedom of movement*, countries share the same fundamental values and States need to have a joint approach to guarantee high standards of protection for refugees claiming asylum. Under EU rules, an asylum seeker has the right to food,

first aid and shelter in a reception center, and are supposed to be granted the right to work within nine months of arrival. To get asylum status in the EU, migrants have to satisfy the authorities that they are fleeing persecution and would face harm or even death if sent back to their country of origin.

*WorldNetDaily* (11.25.15) Since Obama took office, his open door policy has brought in more than 1.5 million Muslims through the refugee program since the passage of the Refugee Act of 1980 (visa policy entitles recipients to access federal benefits, lifetime residency, work authorization and a direct route to becoming a U.S. citizen). They have been coming from Islamic states with active jihadist movements such as Somalia, Bangladesh, Burma, Iraq, Iran, Afghanistan, Bosnia and the Democratic Republic of Congo. This is a five-year tally of 680,000. The history of the Muslim religion is that of a violent religion. Over 1400 years ago since the 7<sup>th</sup> century when Mohammed himself arose and wrote the Quran declaring war (jihad) on the whole world and everyone who was not a Muslim.

Nothing has changed. Our politicians will not tell you this. They are trying to work out an agreement between Islamist Muslims and the Catholic religion of the Western world into a combined one world religion called *Chrislam* which is an attempt to blend the teachings and practices of Christianity and Islam. The movement has gained impetus by statements from President George W. Bush and that Christians, Jews, and Muslims all worship the same God and by Rick Warren's reference to Isa (the Muslim name for Jesus) in his prayer at the inauguration of President Barack Obama. **2 Corinthians 6:14--** God's word says plainly, "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?" What fellowship does the temple of God have to do with Baal (idols)? What agreement is there between Satan the devil and the word of God. There is no agreement, of the two.

Terror has Come to America. In 1939, WW II categorically began. America did not enter the war until 1941 after Pearl Harbor was bombed. The beginning shot of WW III has been fired and it is between the Muslim world caliphate and Europe and America. It has begun and will grow and expand until Iran, Pakistan and other Muslim nations join forces. The relationship between India and Pakistan over the Kashmir border dispute remains tense and could suddenly flare up into a conflagration, despite claims by both sides about easing the tensions, Given the explosive nature of the relationship between the two South Asian neighbors under mutual rivalry since creation of two states in 1947, due to conflicting geo-political interests and the currently destabilizing effect of the aggressive US intervention into the region, the situation could escalate into bloody clashes at any given moment.

*World Net Daily--*Our nation stands on the edge of a crisis that the Bible calls the time of Jacob's Trouble that occurs shortly before the second coming of Jesus Christ, our coming Lord and Savior. **Daniel 12:1**—"And at that time shall Michael stand up, the great prince which stands for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book." We can look forward to Christ's coming with fervent hope

and prayer. **Revelation 22:20** – “He which testifies these things says surely I come quickly, Amen. Even so, come, Lord Jesus.”

Pope Francis specifically referred to the ISIS and the growing barbarism and genocidal fury of the Muslim jihadist. He early on predicted months ago that a piece-meal WW III was emerging with ever mounting crimes, massacres, and destruction. Jordanian king Abdullah says the fight against ISIS is a Third world war. President Obama refuses to call ISIS what they are.

Popular talk show host, Mark Levin said, he truly believes WW III has begun, even though it has not started like any other war and that the U.S. is going to be attacked. Obviously, we already have been attacked. Most recent was the massacre in San Bernardino, California on Wednesday at the Regional Center with 14 killed and 17 injured by a Muslim couple—jihad terrorists connected with ISIS. Obama administration is in complete denial state of mind. Newt Gingrich states this is war for worldwide supremacy in all of its forms. “The real war is not geographic and it is not defined by ISIS. The real war is worldwide and the real enemy is Islamic supremacy in all its forms. The center of gravity is not Syria. The center of gravity is the Internet and the communication devices that make it possible for people worldwide to be radicalized.” People do not recognize it yet, just like it was at the beginning of WW II after the Germans invaded Poland. We are entering those times and people just don’t realize it yet.

Muslims say, “it is not our fault”, and Obama says “Let’s not persecute the Muslims and Islam because of this random attack.” **Romans 1:18** — “For the wrath of God is revealed from heaven *against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;*” What do the elites of the world do? They hold down (suppress) the truth—they hide the truth so you cannot recognize it. My Bible margin says by the word suppress—they squelch it. They, like Obama are in denial. It is the Muslims who are orchestrating a concerted campaign to attack, dominate and rule the world including America. Either Obama is in denial or he is a covert operative for furthering the plot secretly in the highest position imaginable. America’s stealth president is a Manchurian candidate. A Manchurian candidate is an impostor put there by our enemies to bring America into submission. Submission to what? Submission to the Muslim religion. The guarding tenant of the Muslim religion is submission (obedient slavery) to Allah. Our politicians are ignoring reality.

Peter agrees with the apostle Paul. **2 Peter 3:3-7**— “Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, and saying, ‘Where is the promise of his coming? For since the fathers fell asleep, all things continue as they were from the beginning of the creation.’ For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water: the world that then was, being overflowed with water, perished: But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men.” They are saying, “Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation.”

**Isaiah 21:2** — “The treacherous dealer deals treacherously, and the plunderer plunders.” Nations are plundering nations like we have never seen before, through what they call *world trade agreements* through financial systems and Wall Street. Republican brokers are planning to

broker the coming Republican Convention. This simply means they will have one vote as to who they will choose to run as the Republican candidate for president with. But then after the first vote is completed, but no candidate has a majority of over 50 percent then they start all over and on the second vote. Heavy bartering, dickering and persuading occurs until they come up with a candidate that the majority will finally agree to for the upcoming 2016 national election. For instance, perhaps it might be Jeb Bush or Chris Christy, or Marco Rubio even though the popular front candidates have been Trump, Carson and Cruz.

The American Revolutionary War of 1774 began with a few encounters at Concord and Lexington, New England where a few Colonials exchanged shots with British Regulars which was called *the shot that was heard around the world*. The massacre in San Bernardino, California, may just be that beginning shot of WW III which is not just against terrorism, but a war for the control of the world between the Muslim Wahhabism ideology of Saudi Arabia and the Shiite Muslims and the rest of the non-Muslim world. It is a war for supremacy.

**Isaiah 21:11**--The burden against Dumah (Turkey). “He calls to me out of Seir, ‘Watchman, what of the night? Watchman, what of the night?’” (What’s coming?) The watchman said, “The morning comes, and also the night.” The watchman is saying, there a morning coming—a new world, the coming of the Messiah. But before the morning comes, we have to go through the perilous night of fire and destruction –a time of darkness.

**Isaiah 22:4** — “Therefore I said, ‘Look away from me, I will weep bitterly. Do not labor to comfort me because of the plundering of the daughter of my people.’ “For it is a day of trouble and treading down and perplexity by the Lord GOD of hosts.” **Isaiah 24:16**- — “From the ends of the earth we have heard songs: ‘Glory to the righteous!’ But I said, ‘I am ruined, ruined! Woe to me!’ The treacherous dealers have dealt treacherously, Indeed, the treacherous dealers have dealt *very treacherously*.” In their political plots, world trade agreements, bankers and investors are feathering their own nests and getting rich off of the sweat and blood of the poor. The windows from on high are open and the foundations of the earth are shaken. **Verses 17-20** – “*Fear and the pit and the snare are upon the inhabitants of the earth*. He who flees from the noise of the fear shall fall into the pit and he who comes up from the midst of the pit shall be caught in the snare.

The earth is violently broken,  
The earth is split open,  
The earth is shaken exceedingly.  
The earth shall reel to and fro like a drunkard,  
And shall totter like a hut;  
Its transgression shall be heavy upon it,  
And it will fall, and not rise again.”

These are dangerous times coming upon the earth, and what happened in San Bernardino this past week is just the beginning.

*Whistleblower* magazine (12/15): West Finally Awakens. “President Obama Remains in Denial. How can America fight a war when our president is in total denial and refuses to accept the fact

that terror cells are operating within the U.S. All of this was known before the massacre in San Bernardino, but swept under the carpet and ignored by refusal of the Obama Administration to deal with the facts. Now, people in the West are beginning to wake up to the full scale Islamic war being waged against them while our leaders remain in denial of it. Open warfare, terrorism, ideological indoctrination, aggressive recruitment, and demographic invasion. But the greatest problem confronting the war on these terrorists is the Commander-in-chief of the world's most powerful military, Barack Obama." The so called leader of the free world is missing from the fight on terror and looked upon as aiding and abetting his enemies. All of his actions show it.

Consider Obama's background and training. He was raised by a Muslim step-father, educated in an Indonesian Muslim school in Jakarta. His mother, Stanley Ann Dunham was a Communist-Socialist who became an activist operative with the Rockefeller controlled Ford Foundation. Communist Frank Marshall Davis was Obama's mentor beginning from age 10 when Obama lived in Hawaii and Davis greatly influenced Obama's sense of identity and career moves. Davis a talented poet, writer, newspaper editor was also a semi-professional photographer ran a nude photography studio.

Writer Leo Holman of *World Net Daily* states that most of the terror attacks in America are being covered up by the Federal government. Sixty percent of American Muslims under 30 years of age state that they are more loyal to Islam than to America. Does that sound innocent? **Mark 3:24** — "If a kingdom is divided against itself, that kingdom cannot stand." Article: *The End of Obama World*. Pat Buchanan, conservative Republican who was a speech writer for Ronald Reagan says that we do not need millions of more people pouring into America and we need to stop the immigration. Not enough jobs are available for people who already live in America.

**Daniel 8:19, 23-25** — "And he said, "Look, I am making known to you what shall happen in the latter time of the indignation; for at the appointed time the end shall be." "And **in the latter time of their kingdom**, When the *transgressors* have reached their *fullness*." "A king shall arise, having fierce features, who understands sinister schemes. His power shall be mighty, but not by his own power; He shall destroy fearfully and shall prosper and thrive; He shall destroy the mighty, and also the holy people (those who believe in and serve God and the Jews). Through his cunning he shall cause deceit to prosper under his rule; and he shall **exalt himself in his heart**. He shall destroy many in their prosperity. He shall even **rise against the Prince of princes**." We are being destroyed by our own leaders and anti-Christian laws are now beginning and prosperity is being destroyed. But the end will come *at the appointed time*.

**Verses 35-39** — "some of those of understanding shall fall, to refine them, purify them, and make them white, until the time of the end; because it is still for the appointed time. The **king shall do according to his own will**: he shall exalt and magnify himself above every god, shall speak blasphemies against the God of gods, and shall prosper till the wrath has been accomplished; for what has been determined shall be done. He *shall regard neither the God of his fathers nor the desire of women, nor regard any god*; for he shall exalt himself above them all. But in their place he **shall honor a god of fortresses** (military power); and a god which his fathers did not know he shall honor with gold and silver, with precious stones and pleasant things. Thus he shall act against the strongest fortresses with a foreign god, which he shall

acknowledge, and advance its glory; and he shall cause them to rule over many, and divide the land for gain.”

This end-time king will claim to be divine (considers himself God above all others and things) and prefer men (same sex) not women. In Islam the women are considered as property and treated like things of possession without the same rights as men. **Verse 45** — “This king will plant the tents of his palace between the seas (Dead Sea and the Mediterranean) and the glorious holy mountain (Jerusalem, Israel); **yet he shall come to his end, and no one will help him.**”

**Luke 21:22-28** —“For these are the days of vengeance, that all things which are written may be fulfilled.” The people will **“fall by the edge of the sword and led away captive into all nations.** Jerusalem will be trampled by Gentiles **until the times of the Gentiles are fulfilled.**”

THE SIGNS of the coming of the Son of Man are all around us. When these things begin to happen and look up and lift your heads because your redemption draws near.

**Hebrews 12:25-29**--“See that you do not refuse Him who speaks. For if they did not escape who refused Him who spoke on earth, much more *shall we not escape* if we turn away from Him who speaks from heaven, whose voice then shook the earth; but now He has promised, saying, ‘Yet once more I shake not only the earth, but also heaven.’ Now this, ‘Yet once more,’ indicates the removal of those things that are being shaken, as of things that are made, that the things which cannot be shaken may remain. Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear. For our God is a consuming fire.”
